

YOU CAN STOP THE SPREAD OF COVID-19

STAY HOME:

You can still do the following activities:

- Get supplies like food, medicine and gas
- Visit a medical provider
- Walk, run, bike

IF YOU ARE SICK:

- Stay home
- COVID-19 symptoms include fever, cough and shortness of breath
- Contact a medical provider if you have shortness of breath
- Going to the doctor will not cause problems with immigration

KEEP YOUR DISTANCE:

- Stay at least 6 feet from other people
- Do not gather in groups with family and friends
- Stay away from crowded places

WASH YOUR HANDS:

- Wash your hands often with soap and water for at least 20 seconds.
- Use an alcohol-based hand sanitizer that contains at least 60% alcohol if soap and water are not available.

FACE MASKS:

- Wear cloth face masks in public
- Do not touch the front of the mask when removing the mask. Wash your hands afterward.
- Wash cloth mask daily

TOGETHER WE CAN SAVE LIVES!
