

Children's Association for Maximum Potential 2022 Summer Volunteer Schedule

Session descriptions are general guidelines only. CAMP reserves the right to determine final session placement once a full application is received, reviewed, and accepted.

***Training Guidelines:**

- Training is mandatory for all counselors (new and returning) prior to being eligible to volunteer for a camper session(s)
- Volunteer Counselors must **successfully** complete their training session to volunteer for a camper session(s)
- All trainings cover a wide variety of topics, up to and including behavior management, hygiene, personal care, and general CAMP policies.

Lead Staff Training, May 27 - June 2: This training is for all Summer Paid Staff ONLY.

***Pre-CAMP Training #1 – June 5-9:** This training session is highly recommended for new volunteers.

Session 1 - General, June 12-17

This mixed ability session is open to campers (aged 5-28) with mild physical and medical conditions, and/or mild to moderate intellectual disabilities. This session is a great way to build knowledge about all the campers we serve.

Session 2 – Autism, June 19-24

This session is open to campers (aged 5-55; males and females) with Autism/ASD/PDD. This session is most appropriate for campers on the Autism spectrum, including those with moderate or advanced behavioral needs. This session is not suitable for campers who use wheelchairs.

Session 3 - General, June 26 – July 01

This mixed ability session is open to campers (aged 15-30) with mild physical and medical conditions, and/or mild to moderate intellectual disabilities.

***Pre-CAMP Training #2 – July 7-9:** For Counselors (new and/or returning) that were unable to attend Pre-CAMP training.

Session 4 - General, July 10 - 15

This mixed ability session is open to campers (aged 5-21) with mild physical and medical conditions, or mild to moderate intellectual disabilities.

Session 5 – Autism, July 17 - 22

This session is open to campers (aged 5-55; males and females) with Autism/ASD/PDD. This session is designed and most appropriate for campers on the Autism spectrum, including those with moderate or advanced behavioral needs. This session is not suitable for Campers who use wheelchairs.

Session 6 – Medical, July 24 - 27

This mini session is open to campers (aged 5-55) with moderate to severe physical or medical conditions, without significant behavioral needs. This session is appropriate for campers with more medically involved conditions, and those who need 24-hour awake nursing care or medical overnight monitoring. Healthcare Professionals are on site to assist volunteers with camper medical needs.

***Mini Pre-CAMP Training #3 – July 29-30:** For Volunteer Counselors that were unable to attend previous trainings.

Session 7 – General, July 31 – August 05

This mixed ability session is open to campers (aged 5-28) with mild physical and medical conditions, and/or mild to moderate intellectual disabilities.

Session 8 – Adult, August 07 - 12

This session is open to campers (aged 22-55) with mild to severe intellectual and physical disabilities. We have several campers who want to come to CAMP during Adult week, volunteers are greatly needed for this session.
