Summer CAMP

Info Coming

Children's Association for Maximum Potential School-Year Volunteer Opportunities - Program Details

CAMP offers a variety of programs throughout the school year in both Center Point and San Antonio. Volunteer registration requires a completed School-Year Program application, which is separate from the summer Staff/Volunteer Counselor application. CAMP will continue to utilize safety measures to prevent the spread of COVID-19. Please visit our website, www.campcamp.org, to review current policies and procedures.

RESPIRE CAMPS

Respite Camps are designed for individuals with special needs to spend a weekend at CAMP participating in similar activities that take place during a summer session. Weekend retreats are held monthly over a weekend, and for 4-days during Spring Break.

- ✓ Held at Camp CAMP in the Texas Hill Country
- ✓ Buddy up with a CAMPer (aged 5 - 50) and have fun engaging with him or her in adapted CAMP activities and helping with daily care needs
- ✓ Twenty-five service hours for completion of this event

NOTE: All first time volunteers must attend mandatory training the Friday evening prior to the Respite Weekend date (March Spring Break Camp training will be Tuesday evening).

PARENT'S NIGHT OUT

Educate and entertain children (aged 3 - 15 years) with special needs and their siblings. This program is held once a month.

- ✓ Volunteer groups welcome and encouraged to participate
- ✓ Program locations to be announced at a later date
- ✓ Advanced registration is required
- ✓ Five service hours for completion of this event

TEEN & ADULT DAY ADVENTURE

Share an adventure with a teen or adult (aged 12 - 40) with special needs at sporting events, theme parks, movies, rodeos, and more around the San Antonio community one Saturday each month

- ✓ Locations vary, but are typically in the San Antonio area.
- ✓ Advanced registration is required
- ✓ Five service hours for completion of this event

Family Retreats

An opportunity for whole families to enjoy CAMP activities together, while also connecting with other families facing similar challenges.

Because families provide all of their own overnight, medication, and CAMPer hygiene care, volunteers are primarily responsible for being "hosts" to the families—facilitating their enjoyment of the CAMP environment. It is a good opportunity for first-time volunteers and adult volunteers who may not be able to commit the time or stamina to a 1:1 counselor role in other CAMP programs.

CAMP's mission is to
strengthen and inspire individuals with special needs
– and those who care for them –
through Recreation, Respite, and Education.
