

2023 SUMMER CAMP SCHEDULE

If you have questions regarding eligibility or which session would be most appropriate for your camper, please contact the Family Support Team.

Session 1 – Adult, May 21 - 26

This session is open to campers (aged 25-55) with mild to severe intellectual and physical disabilities. If you have a camper over the age of 55, please contact the Family Support Team to discuss eligibility.

Session 2 – General, June 11 - 16

This mixed ability session is open to campers (aged 5-21) with mild to moderate physical disabilities, intellectual disabilities, and/or medical conditions.

Session 3 – Autism, June 18 - 23

This session is open to campers (aged 5-55) with Autism/ASD/PDD. This session is designed and most appropriate for campers on the Autism spectrum, including those with moderate or advanced behavioral needs. This session is not suitable for campers who use wheelchairs.

Session 4 – Medical, June 25 - 30

This session is open to campers (aged 5-55) with moderate to severe physical or medical conditions, without advanced behavioral needs. This session is appropriate for campers with more medically involved conditions, and those who need 24-hour awake nursing care or medical monitoring overnight.

Session 5 – Autism, July 9 - 14

This session is open to campers (aged 5-55) with Autism/ASD/PDD. This session is designed and most appropriate for campers on the Autism spectrum, including those with moderate or advanced behavioral needs. This session is not suitable for campers who use wheelchairs.

Session 6 – Medical, July 16 - 21

This session is open to campers (aged 5-55) with moderate to severe physical or medical conditions, without advanced behavioral needs. This session is appropriate for campers with more medically involved conditions, and those who need 24-hour awake nursing care or medical monitoring overnight.

Session 7 – General, July 23 - 28

This mixed ability session is open to campers (aged 5-28) with mild to moderate physical disabilities, intellectual disabilities, and/or medical conditions.

Session 8 – General, July 30 - August 4

This mixed ability session is open to campers (aged 5-21) with mild to moderate physical disabilities, intellectual disabilities, and/or medical conditions.

Session 9 – Blended/Transition, August 6 - 11

This mixed ability session is open to campers (aged 15-45) with mild to severe physical or medical conditions, or mild to moderate intellectual disabilities, without advanced behavioral needs.
