## School-Year Program Details

CAMP offers a variety of programs throughout the school year in both Center Point and San Antonio. Please visit our website, [www.campcamp.org](http://www.campcamp.org) or contact [volunteerservices@campcamp.org](mailto:volunteerservices@campcamp.org), for more information on how to sign up!

### Respite Camps

Respite Camps are designed for individuals with disabilities to spend a weekend at CAMP participating in similar activities that take place during a summer session.

- ✓ Held at Camp CAMP in the Texas Hill Country
- ✓ Buddy up with a camper (aged 5-55) and have fun engaging with them in adapted CAMP activities while helping with daily care needs
- ✓ 25 service hours are provided for completion of this event

**NOTE:** First time volunteers must attend mandatory training the evening prior to the date of the program.

### Parent's Night Out

Educate and entertain children (aged 3 - 15 years) with disabilities and their siblings. This program is held once a month.

- ✓ Volunteer groups welcome and encouraged to participate
- ✓ Program locations to be announced at a later date
- ✓ Advanced registration is required
- ✓ Five service hours for completion of this event

### Teen & Adult Day Adventure

Share an adventure with a teen or adult (aged 13 - 40) with disabilities at sporting events, theme parks, movies, rodeos, and more around the San Antonio community one Saturday each month.

- ✓ Locations vary, but are typically in the San Antonio area.
- ✓ Advanced registration is required
- ✓ Five service hours for completion of this event

### Family Retreats

An opportunity for whole families to enjoy CAMP activities together, while also connecting with other families facing similar challenges.

Because families provide all of their own overnight, medication, and camper hygiene care, volunteers are primarily responsible for being "hosts" to the families—facilitating their enjoyment of the CAMP environment. This is a good opportunity for first-time volunteers and adult volunteers who may not be able to commit the time to a 1:1 counselor role in other CAMP programs.

CAMP's mission is to strengthen and inspire individuals with disabilities  
– and those who care for them – through Recreation, Respite, and Education.
